

Amanda B. Click, MLIS & PhD

EDUCATION

PhD, Information Science University of North Carolina at Chapel Hill	2016
MLIS, Library and Information Studies University of North Carolina at Greensboro	2008
BS, Science, Technology & Culture Georgia Institute of Technology	2003

PROFESSIONAL EXPERIENCE

Business Librarian/Assistant Librarian American University (AU), Bender Library Research, Teaching & Learning (RTL)	2016 – Present
<ul style="list-style-type: none">• Provide high-level research support to Kogod School of Business faculty and students, and others on campus with business research needs, using a variety of information technology tools and online information sources• Provide general research support to the AU community at the Research Assistance Desk, including in-person, phone, and chat reference services• Teach subject-specific library instruction sessions for Kogod students, covering a variety of business-specific resources as well as big picture information literacy concepts• Serve as chair of the Collections Management Team, selecting print and digital materials to support AU student and faculty research• Develop and maintain online tools to support student learning and research, such as research guides and tutorials• Serve as the Writing Studies Coordinator, managing tier one of the information literacy program in which librarians work with college writing faculty to provide course integrated library instruction• Coordinate projects to promote open access on campus, including serving on the library's open access funding committee, and conducting a study of library open access fund-supported scholarly publications• Lead a multi-method study about business information literacy, including a systematic review of the literature, survey of librarians across the U.S., and focus group interviews• Conducted a qualitative assessment project about library services and support for the business and public affairs communities on campus	
Doctoral Fellow/Project Manager University of North Carolina at Chapel Hill School of Information & Library Science (SILS)	2011 – 2016
<ul style="list-style-type: none">• Organized and moderated events such as the Library Leadership Symposium (March 2014), which brought together senior leaders in the field to share their expertise with SILS students and other library professionals, and the Global Library Leadership workshop (May 2013), a two day workshop in Cairo, Egypt and was attended by over 40 library and information science professionals from all over the Middle East and North Africa• Collaborated with Libraries Thriving to develop the Global Information Issues webinar series (2012-2013), which included five sessions attended by more than 700 participants from all	

Amanda B. Click, MLIS & PhD

over the world, and covered topics from international librarianship to digitization to information literacy assessment

- Designed and conducted a study on cross-cultural adaptation, interviewed international graduate students studying in the U.S. about their research processes
- Conducted and published multiple systematic reviews on topics related to the globalization of higher education
- Designed a study surveying American-style university libraries about their research skills instruction programs
- Served as lead editor for a volume about library and information science in the Middle East; developed proposed, managed peer review, editing, and publication processes with authors from all over the world
- Designed and conducted a multi-method study using survey and photo elicitation interview data to explore the ways that students interact with information
- Served as project manager for SILS executive education initiative, fostered collaboration between faculty and government employees, moderated and assessed workshop sessions
- Led a project to develop the Global Training Resources for Information Professionals (GTRIP), a repository designed to support training and professional development of librarians and information professionals in environments with limited resources

Instruction and Reference Librarian

2008 – 2011

The American University in Cairo (AUC), Main Library
Research & Information Services

- Served as Coordinator of Instruction, managing eight librarians and redesigning curriculum
- Taught information literacy sessions for a variety of subjects and audiences, including both graduate and undergraduate level courses, faculty, staff and external users
- Led an international research project sponsored by the American International Consortium of Academic Libraries (AMICAL), using ethnographic methods to study how students conduct research and use the library and campus spaces for learning
- Designed a project to evaluate librarian teaching effectiveness, collecting data from stakeholders using multiple methods
- Served as library liaison to the Accounting and Management Departments in the School of Business, partnering with department faculty for collection development and information literacy instruction purposes
